To Whom it May Concern:

I have known Mike Swisher since 2008. We met when I was 20 years old, and he has been a friend and mentor ever since. As a young man, I wanted to become an IT professional, so Mike introduced me to many clients and environments, including my current employer, greatly helping me to grow my skills and my career.

Mike never ceases to impress me with his skills and insight, and he has always been ready to help, even in unusual or emergency circumstances. Whenever I need a hand or another set of eyes, I can always count on Mike.

Anybody would be well served to hire Mike for anything they need done!

You can call me at (720) 240-3675 if you would like more information.

Thank You,
